ABOUT THE COLLEGE

Christ Academy Institute for Advanced Studies (CAIAS), affiliated to Bangalore University, stands as a premier institution committed to academic excellence and holistic student development. It offers a wide spectrum of undergraduate and postgraduate programs across Business, Management, Commerce, Computer Science, Arts & Humanities, and Sciences, carefully designed to meet contemporary industry standards and global educational benchmarks. CAIAS is known for its state-of-the-art, fully digital campus, which features modern classrooms, advanced laboratories, high-speed connectivity, and a rich digital learning environment. The institution places strong emphasis on research-driven education, experiential learning, and interdisciplinary collaboration, encouraging students to think critically, solve real-world problems, and develop as future-ready professionals. Beyond academics, CAIAS fosters leadership, creativity, and ethical values through vibrant student clubs, cultural forums, sports programs, and a wide range of co-curricular activities. Its inspirational mentoring system, experienced faculty, and continuous industry engagement provide students with the guidance and exposure needed to thrive in competitive environments. With a world-class library, cutting-edge technological infrastructure, and a green, serene, and multicultural campus setting in Bangalore, CAIAS draws strength from its rich heritage and forward-thinking vision, making it a truly transformative space for education and personal growth.

ABOUT THE DEPARTMENT

The Department of Computer Science and Applications at Christ Academy Institute for Advanced Studies (CAIAS) is committed to nurturing competent IT professionals with strong values, global awareness, and industry-ready skills. Established with a vision to bridge academics with real-world applications, the department ensures a perfect blend of theoretical foundations, practical exposure, and research opportunities. With a curriculum aligned to industry expectations and emerging technologies such as Artificial Intelligence, Machine Learning, Data Science, and Cloud Computing, students are equipped to meet the challenges of the fast-evolving IT landscape. Faculty expertise, industry collaborations, and strong alumni support stand as key strengths of the department.

Our diverse portfolio of programs caters to various interests and career aspirations in the computing domain:

Undergraduate Programs

- Bachelor of Computer Applications (BCA)
- BCA - Artificial Intelligence & Machine Learning
- BCA - Data Science

Postgraduate Program

- Master of Computer Applications (MCA)

Students benefit from exposure beyond the classroom through research projects, internships, industrial visits, paper presentations, coding competitions, and conferences at national and international levels. The department's strong alliances with IIT Bombay, ICT Academy, and industry partners like Infosys Springboard provide students with the right platforms for technical excellence and global exposure. Adding to this vibrant ecosystem is Int-Elegance, the IT Club of the department, which serves as a hub for coding challenges, workshops, and technical fests that foster innovation, leadership, and teamwork. Supported by advanced laboratories, digital learning platforms, and mentorship from experienced faculty, the department is more than an academic unit.it is a launchpad for innovation and a community where students grow into software developers, data scientists, AI specialists, entrepreneurs, and responsible professionals ready to shape the future of technology.

ABOUT THE INT-ELEGANCE CLUB

Int-Elegance, the IT Club of Christ Academy Institute for Advanced Studies (CAIAS), is a dynamic platform that promotes innovation, critical thinking, and digital empowerment while bridging the gap between academic learning and industry practice. The club enables students to sharpen their technical skills and apply them in impactful ways through coding challenges, technical paper presentations, tech quizzes, workshops, and intra- and intercollegiate tech fests that encourage healthy competition, collaboration, and problem- solving. It brings together students from diverse backgrounds to ensure inclusive access to quality IT exposure, while also fostering responsible leadership and ethical technology use.

More than a student club, Int-Elegance represents a culture of intelligent thought and elegant execution, where technology is built with precision, guided by purpose, and driven by innovation. Through its activities and community, the club prepares students to become skilled professionals and responsible digital citizens ready to shape the future of technology.

ABOUT THE TECHNOVANZA

The Int-Elegance Club, in proud association with the Department of Computer Science and Applications at Christ Academy Institute for Advanced Studies (CAIAS), is thrilled to present TECHNOVANZA, a spectacular One Day IT Fest scheduled for the 19th of September, 2025. Held under the banner of a department known for its industry-aligned MCA and BCA programs with specializations in AI & ML, and Data Science, TECHNOVANZA offers a dynamic platform for young innovators to showcase their technical talents through coding challenges, quizzes, hackathons, and project exhibitions. Backed by CAIAS's strong focus on experiential learning through real-time projects, internships, workshops, and hands-on training, the fest is designed to foster innovation, collaboration, and leadership. Set within a vibrant, green, and tech enabled campus, TECHNOVANZA is more than a competition, it's a celebration of creativity, problem-solving, and the spirit of excellence, culminating in the crowning of the most outstanding talent as the glorious winner.

GENERAL GUIDLINES OF THE EVENT

To ensure a smooth and successful event experience for everyone, participants are requested to carefully read and adhere to the following rules and regulations:

Registration & Participation

- Registration is mandatory and will be accepted on a first-come, first-served basis.
- Participants may register online or offline.
- On-the-spot registration begins at 7:30 AM on the event day, subject to availability.
- Participants must report at least 15 minutes before the event begins.
- A valid college ID card is required for participation.
- For team events, all members must be registered.
- In case of overlapping events, participants must choose one—no adjustments will be made.
-

- Code of Conduct
- Participants must maintain discipline and decorum throughout the event.
- Misconduct, disrespect, or use of offensive language will result in disqualification.
- Malpractice or cheating in any form is strictly prohibited.

Rules & Instructions

- Registration fees are non-refundable under any circumstances.
- The organizers will not be responsible for loss or damage of personal belongings.
- Event-specific instructions will be given by coordinators before the start of each event.
- The judges' decisions are final and binding.

Certificates & Contact

- All participants will receive E-certificates.
- Winners will be awarded certificates, trophies, or prizes as applicable.
- For any queries or registration issues, please contact the designated event coordinator or
- visit the help desk at the venue.

Queries & Contact

- For any questions regarding the event or registration, please contact the assigned event
- coordinators. Their details are provided on the last page of the brochure.
- A help desk will also be available at the venue for on-the-spot assistance.

- Reel Making
- Prompt Wars
- Debate

28 TH
OCTOBER 2026

PROGRAM SCHEDULE

8:00 AM – 8:45 AM	ON-SPOT REGISTRATION & WELCOME
9:00 AM – 10:00 AM	INAUGURATION CEREMONY
10:00 AM – 11:30 AM	• BGMI • TREASURE HUNT • IPL AUCTION • FREE FIRE • PITCH A PRODUCT • HACKATHON
11:30 AM – 12:00 PM	BREAK
12:00 PM – 2:00 PM	• UI/UX • BEST MANAGER • IT QUIZ • DEBUGGING
2:00 PM – 2:30 PM	LUNCH BREAK
2:30 PM – 4:00 PM	• REEL MAKING • PROMPT WARS • DEBATE
4:00 PM – 4:30 PM	PRIZE DISTRIBUTION & VALEDICTORY CEREMONY

DEBUGGING

FIND • FIX • WIN

Step into the debugging arena where logic, speed, and accuracy decide the winners. Teams of up to two participants will face multiple coding challenges designed to test their technical skills and problem-solving ability.

ROUNDS

01
Code Trace
Solve 10 code-output and logic questions in 20 minutes.

02
Bug Hunt
Identify and fix errors in a given program within 20 minutes.

03
Code Rescue
Top 4 teams fix and complete a program with a required feature in 20 minutes.

RULES & DISQUALIFICATION TERMS

- Teams may have 1 or 2 participants.
- Teams must register in advance and choose one programming language: C, C++, Java, or Python.
- The same language must be used throughout all three rounds.
- All teams start Round 1 together.
- Each round has a 20-minute time limit.
- Teams must submit their answers/code within the given time.
- Round 1 has no elimination.
- The top 4 teams based on the combined Round 1 + Round 2 scores qualify for the final round.
- In case of a tie for 4th place, compare Round 2 scores, then Round 1 scores, followed by a tie-breaker question if required.
- In the final, the team with the highest overall score wins.
- Participants must use only the systems and resources provided by the organizers
- **Registration Fee: ₹200 per team**

UI / UX DESIGNING

Welcome to the battlefield where creativity meets usability and pixels collide with ideas! In UI/UX, teams of two innovative minds will take on design challenges that test speed, originality, and problem-solving skills.

With no room for pre-made templates, every pixel must be crafted with intent, balancing aesthetics and functionality to deliver seamless user experiences.

ROUNDS

1

ROUND 1

Speed Glow Up

Redesign an outdated or broken screen into a sleek, modern interface within 60 minutes.

2

ROUND 2

Mystery UX Box

Pick a surprise brief and design a complete user-centric solution, followed by a short live presentation to showcase your thinking.

RULES & DISQUALIFICATION TERMS

- Teams may have 1 or 2 participants.
- All designs must be original – no templates, plagiarism, or AI work.
- Work only with your registered teammate; no external help allowed.
- No internet browsing for ready-made designs; only provided assets may be used.
- Use only the assigned system and approved tools.
- Strict time limits – late submissions will not be accepted.
- Respect others – no disturbing competitors or tampering with devices.
- No sharing of Mystery UX Box prompts with other teams.
- Judges' and volunteers' instructions are final.
- Registration Fee: **₹200 per team**

EVENT HEADS

THE LIVE DEBATE!

Step into the verbal arena where your words are your weapons! Pick one of six sizzling topics, choose your side, and battle it out in a fierce 5-minute face-off. A 30-second warning bell will keep you on your toes, and the final bell seals your fate. Bring sharp arguments, clear delivery, and unshakable confidence. because the judges won't miss a thing.

// FORMAT & RULES

- Teams may have 1 or 2 participants.
- Participants must follow the side (FOR/AGAINST) assigned by the organizers.
- Preparation time will be provided as specified for each round.
- Participants must stay within the allotted speaking time.
- Arguments must be relevant to the given motion and presented respectfully.
- Personal attacks, offensive language, or inappropriate content are not allowed.
- Participants must respond to questions and rebuttals within the given time.
- Judges' decisions will be final and binding.

Rounds

- Round 1 – Take a Stand: A motion is revealed. Participants prepare briefly and deliver an opening argument for or against it.
- Round 2 – Flip the Side: Participants must suddenly defend the opposite viewpoint, testing adaptability and quick thinking.
- Round 3 – Cross-Fire: Participants face rapid questions from opponents/judges and give short, reasoned answers followed by rebuttals.
- Round 4 – Final Live Debate: Finalists debate a fresh motion with opening statements, rebuttals, cross-questioning, a surprise challenge, and closing statements
- **Registration Fee: ₹200 per team**

REEL MAKING

TURN IDEAS INTO IMPACT

Join us for an exciting college reel-making competition, where you'll dive into real-world industry challenges and level up your creative skills behind the lens!

FORMAT & RULES

- Participation can be individual or in teams of maximum 2 members.
- Each participant/team can submit only one reel.
- Reel duration must be 30–90 seconds, in vertical 9:16 format and MP4.
- Footage must be captured during the IT Fest; previously recorded footage should not be used as the main content.
- Participants must respect privacy and obtain consent while filming.
- Content must be original and must not contain offensive, inappropriate, or discriminatory material.
- Reels must be submitted before the specified deadline.
- Violation of rules may lead to disqualification.
- Judges' decisions will be final.
- **Registration Fee: ₹300 per team**

ONLINE

POSTER *Making*

Poster Making is a high-energy design challenge where creativity meets speed. The twist? The theme will be revealed on the spot! Teams must brainstorm quickly, design a poster from scratch (no pre-made templates), and bring their ideas to life using Canva, turning simple concepts into bold, eye-catching visuals. Each team will deliver a 2-minute pitch narrating the story behind their design, making it bold, persuasive, and unforgettable.

RULES & REGULATIONS

- Individual participation.
- One topic will be announced at the beginning of the competition.
- Participants may use any digital design software/platform.
- The poster must be created within the given time limit.
- The poster must be based on the announced topic and should be original.
- Internet resources, templates, stock images, and AI tools will be allowed/restricted as decided by the organizing committee.
- Final poster must be submitted in the specified format (JPG/PNG/PDF) before the deadline.
- Late submissions may not be considered.
- Participants must follow the given poster dimensions and submission guidelines.
- Judges' decision will be final
- **Registration Fee: ₹200 per team**

EVENT HEADS

BEST MANAGER

Best Manager is an interactive management competition designed to test participants' leadership, decision-making, communication, problem-solving, strategic thinking, adaptability, and ability to handle challenging situations. Through a series of practical business scenarios and managerial challenges, participants will be required to think quickly, prioritize tasks, make effective decisions, and justify their actions under pressure

RULES & DISQUALIFICATION TERMS

- Individual participation only.
- Participants must report 15 minutes before the event with a valid college ID.
- Participants must follow all instructions and complete each round within the allotted time.
- obile phones and other electronic devices may be restricted during rounds.
- Malpractice, unfair means, or interfering with other participants will lead to disqualification.
- Participants must maintain professional conduct throughout the event.
- Judges may deduct marks for rule violations or exceeding time limits.
- Judges' decisions will be final.

Rounds

- Round 1 – Business Aptitude & Management Quiz: Objective quiz covering management, business awareness, logical reasoning, and decision-making. Shortlisted based on scores.
- Round 2 – Case Study / Situation Analysis: Analyse a business/workplace situation, prepare a practical solution, and present it to the judges. Follow-up questions may be asked.
- Round 3 – The Manager's Inbox: Prioritize multiple workplace tasks and problems, explain the actions to be taken, and adapt to unexpected situations introduced by the judges.
- Round 4 – Boardroom Under Fire: Finalists handle a critical business/organizational situation, present their strategy, and respond to challenges and questions from the judges
- **Registration Fee: ₹150 per team**

IT QUIZ

Step into a battle of brains and strategy where knowledge meets quick thinking! This quiz-style competition is designed to test your grasp of general awareness, coding logic, theory concepts, and subject expertise. Teams will face multiple challenging rounds, each demanding speed, accuracy, and smart decision-making. Only the sharpest minds will break through the prelims and secure a spot in the Final Round. Do you have what it takes to outwit, outplay, and outscore the competition?

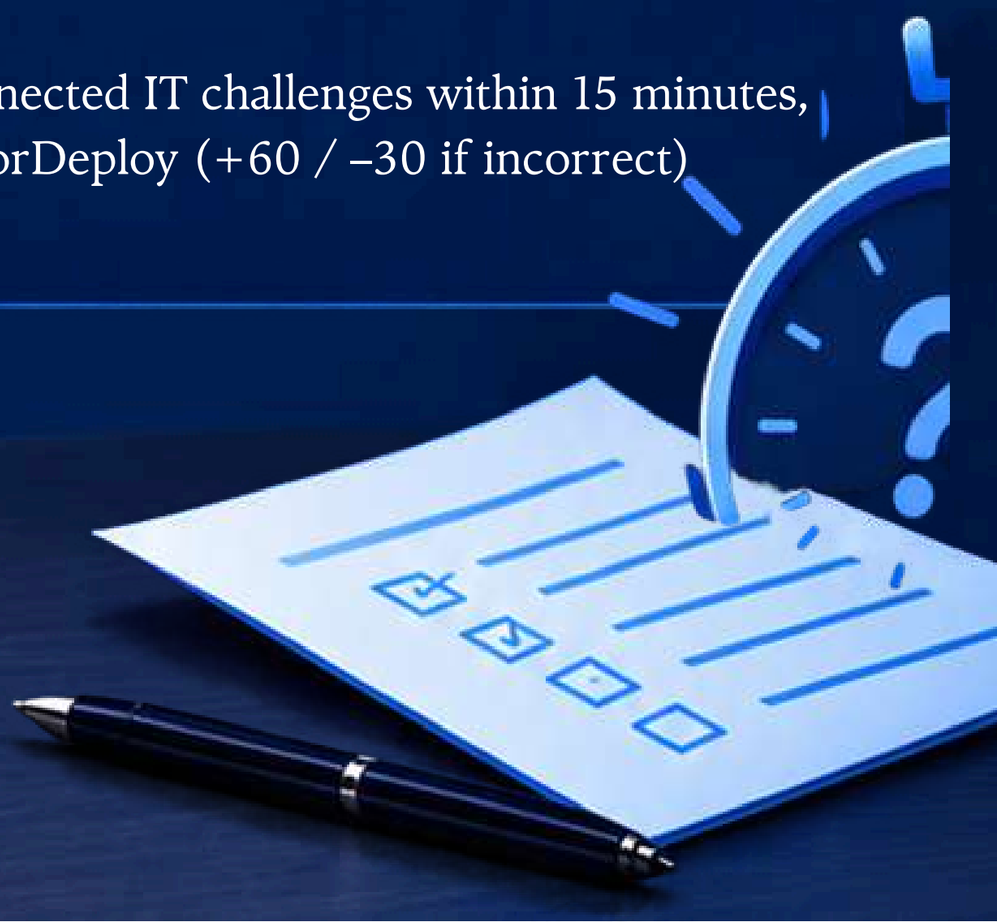

RULES & DISQUALIFICATION TERMS

- Each team must have 3 members.
- All teams must answer within the specified time limit.
- Questions will be displayed through the presentation system.
- Participants must follow the instructions given by the Quiz Master and coordinators.
- No external electronic devices or unauthorized resources are allowed.
- Preliminary round scores determine the teams qualifying for the final.
- The top 3 or 4 teams qualify for the final, as decided by the organizers.
- In the final, teams must solve all challenges and submit their recovery code within 15 minutes.
- Judges/Quiz Master's decision will be final.
- Rounds
- Round 1 – General Questions: IT awareness, technology history, companies, products, and trends.
- Round 2 – Predict the Output: Programming logic, syntax, and code-output questions.
- Round 3 – Guess the Logo: Identify IT companies, software, platforms, products, and services from visual clues.
- Round 4 – Choose a Domain: Teams select a domain and answer questions on AI, Cybersecurity, Cloud, Programming, Networking, or Software Development.
- Final Round – The Black Box Protocol: Top teams solve four connected IT challenges within 15 minutes, collect the recovery code, and choose between Roll Back (+30) orDeploy (+60 / –30 if incorrect)
- Registration Fee: **₹300 per team**

WIN

Treasure Hunt

Welcome to Treasure Hunt, a thrilling, tech-powered adventure designed to test your mind, instincts, and teamwork. Get ready for an exciting campus-wide chase filled with cryptic clues, logical puzzles, unexpected twists, and fast-paced challenges. With every clue solved, you move one step closer to glory. Stay sharp, think fast, work together, and get ready for a race against the clock!

Rules & Regulations

- Teams of 5 will embark on a campus-wide journey.
- Teams will be identified by a unique team number/name.
- All team members must remain together throughout the hunt.
- Teams must complete all assigned clues and challenges in the correct sequence.
- Skipping a clue or challenge will result in disqualification/non-qualification.
- Completion time will be recorded and used for qualification.
- Every completed clue/challenge must be verified by the assigned volunteer.
- Participants must follow the instructions and boundaries set by the organizers.
- **Registration Fee: ₹500 per team**

IPL AUCTION

Welcome to the IPL Auction, where strategy meets cricketing excitement! Step into the shoes of an IPL franchise owner and experience the thrill of bidding for some of the most exciting cricketing talent. Build your dream team, manage your budget wisely, make smart decisions under pressure, and compete with other teams to create a powerful squad. Get ready for intense bidding wars, unexpected twists, and an action-packed auction experience!

RULES & DISQUALIFICATION TERMS

- Teams may have 2 - 4 participants.
- Each team will have a virtual purse of ₹100 Crores.
- Teams must form a squad of 11–13 players.
- Maximum 4 overseas players are allowed.
- Squad must include 3 batsmen, 3 bowlers, 3 all-rounders, 1 emerging player and 1 wicketkeeper.
- Exceeding the ₹100 Crore purse will result in disqualification.
- Cheating, misconduct or disruption will lead to disqualification.
- Participants must follow the instructions and decisions of the coordinators.
  Rounds
- Round 1 – Power Play:
- An online IPL-based quiz covering general IPL knowledge and facts. Qualifying teams move to the next round.
- Round 2 – Death Overs:
- A more challenging IPL quiz. The top 10 teams qualify for the final auction.
- Round 3 – Final Auction:
- A live IPL-style auction where teams build their squad using the ₹100 Crore virtual purse. Player points will determine the final score, and the team with the highest score wins.
- **Registration Fee: ₹400 per team**

FREE FIRE

FREE FIRE

FREE FIRE SQUAD SHOWDOWN

Gear up for the ultimate Free Fire Squad Showdown! Gather your squad of 4 players and 1 substitute to battle it out for glory in intense custom room matches. Only mobile devices (Android/iOS) are allowed, no emulators, iPads, or third-party tools. Fair play is a must: any hacks, scripts, or cheats will lead to instant disqualification. Communication is key, so stick to in-game voice chat and coordinate your way to victory. Remember, if your team fails to join the room on time, you'll start with 0 points. So be ready, play fair, and may the best

GAME NORMS & KNOCK-OUT TERMS

- Teams may have 4 or 5 participants.
- Room ID and Password will be shared 10 minutes before match start.
- Join on time; late entry is not our responsibility and no refunds will be given.
- Do not change positions in the custom room; violators may be kicked.
- Only mobile devices allowed no hacks, emulators, or unfair tools.
- Unregistered players are strictly not allowed; inviting them will lead to penalties.
- Teaming, scripting, or cheating results in a permanent ban.
- Every teammate must take a screenshot after the match.
- Do not share room ID or password; strict action will be taken if found.
- Abusive language or spamming in custom room chat is prohibited.
- **Registration Fee: ₹500 per team**

BGMI
GAME ON

BATTLE ROYALE AT ITS BEST

Step into the battlegrounds and showcase your skills in the ultimate BGMI tournament! Teams will face off in custom lobbies created by the event heads, competing through multiple rounds that may include qualifiers, semi-finalis, and finals depending on the number of participants. Every move counts as the scoring will follow the official BGMI system, where both kill points and placement points decide your rank.

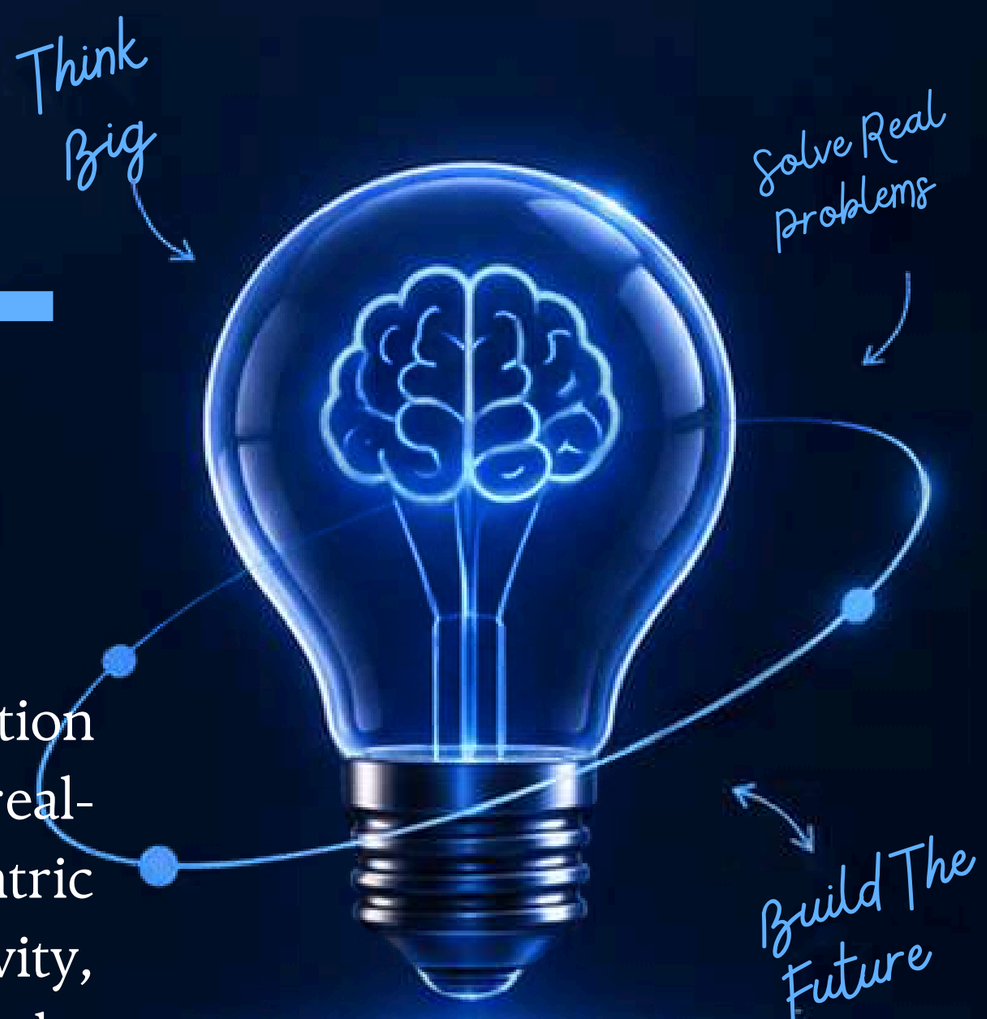

GAME NORMS & KNOCK-OUT TERMS

- Teams may have 4 participants.
- Only standard smartphones are allowed (gaming phones strictly prohibited).
- Participants must bring their own devices and headphones (mandatory for participation).
- Join on time; late entry is not our responsibility and no refunds will be given.
- Strict silence during gameplay — no shouting or disturbance.
- Use of emulators, hacks, or unfair methods will lead to instant disqualification.
- Event heads/volunteers may check devices if foul play is suspected.
- Multiple teams can participate from the same college.
- Every teammate must take a screenshot after the match.
- All participants must follow organizer instructions at all times.
- **Registration Fee: ₹500 per team**

PITCH A PRODUCT

TURN IDEAS INTO REAL SOLUTIONS

Product Arena is a fast-paced product innovation event that challenges participants to identify real-world problems and develop innovative, user-centric technology solutions. The event combines creativity, technology, business thinking, and user empathy through ideation, prototyping, and pitching.

RULES & DISQUALIFICATION TERMS

- Team Size: 1–2 members.
- Open to all students interested in technology, design, innovation, or entrepreneurship.
- Participants must develop ideas based on the given theme/problem statement".
- Copied or impractical ideas may be eliminated.
- Round 1 – Idea Blitz: Submit product name, problem, target users, pain points, and basic features/MVP.
- Round 2 – Prototype & Pitch: Create a prototype and deliver a 3–5 minute pitch.
- Prototyping tools may include Figma, Canva, Adobe XD, or hand-drawn wireframes.
- Judging will be based on Innovation, Problem-Solution Fit, User-Centric Thinking, Prototype Quality, and Pitch Clarity.
- Participants must follow the time limits and instructions given by the event coordinators.
- **Registration Fee: ₹200 per team**

IDEATHON

Logic-Crash Ideathon is a one-round innovation challenge designed to encourage students to identify real-world problems and develop creative, practical, and innovative solutions within a limited time. Participants will work in teams to analyse an on-the-spot scenario, brainstorm ideas, develop a solution, and present their concept through a concise pitch.
The event focuses on creativity, critical thinking, teamwork, problem-solving, adaptability, and effective communication, while giving participants practical exposure to the ideation and solution-development process.

RULES & DISQUALIFICATION TERMS

- Eligibility: Open to UG and PG students from all disciplines.
- Team Size: Each team must consist of 2–4 members.
- Registration: Teams must register in advance.
- On-Spot Challenge: A scenario will be provided during the event. Teams must identify the problem and develop their solution within the allotted time.
- Time Limit: Strict time limits will be followed for ideation, PPT preparation, presentation, and Q&A.
- Originality: The team's core idea, problem identification, and proposed solution must be their own work. Plagiarism or direct copying of existing solutions will lead to disqualification.
- AI & Internet: AI tools and internet resources may be used for brainstorming, research, information gathering, presentation design, and improving communication. However, participants must understand and be able to explain their solution.
- PPT Preparation: The PPT must be created during the competition and should not exceed the recommended 4 slides.
- Submission: The final PPT must be submitted through the official submission link within the given timeline. Accepted formats are PPTX or PDF.
- Presentation: Each team gets 5 minutes for presentation, followed by 2 minutes of Q&A.
- Time Management: Exceeding the 5-minute presentation limit may result in the presentation being stopped and a deduction under Time Management.
- Judges' Decision: The decision of the judges will be final.
- **Registration Fee: ₹200 per team**

PROMPT WARS

Welcome to Prompt Wars, where creativity meets artificial intelligence! Get ready for an exciting battle of ideas, imagination, and prompt engineering as participants compete to create the most effective and creative AI-generated outputs. Think outside the box, experiment with your prompts, and put your creativity and problem-solving skills to the test. Every prompt is a new challenge, and every response could bring you one step closer to victory. Get ready to prompt, create, compete, and conquer!

RULES & REGULATIONS

- Teams may have 2 participants.
- Only 2 prompt per round is allowed.
- Once submitted and run, the AI output is final—no edits, re-runs, or second attempts.
- The announced AI platform is the only AI tool allowed.
- Prompts must be written live; pre-written prompts and sharing prompts are not allowed.
- All participants receive the same situation in each round.
- Technical failures verified by coordinators may allow a fresh attempt.
- Judges' decisions are final.

- Rounds
- Round 1 – Quick Fire (10 min): Write and submit one prompt for a simple situation.

- Round 2 – Design Brief (15 min): Create one detailed prompt for a creative situation.

- Round 3 – Simultaneous Situation (20 min): All participants solve the same challenging situation using one prompt.
- **Registration Fee: ₹200 per team**
